### Valentine Exchange

All students will have an opportunity to exchange Valentine's within their own individual classrooms. Each teacher will send out information concerning this fun activity.

### Valentine Party

Our Valentine party will be on Wednesday, February 14th, for students who normally attend school on Wednesdays.

### Fall Registration

We are registering our current students for next September (2018-2019 school year). If your child will be attending our preschool, your registration forms and fee are due by February 16th. We have notified families on our waiting list to attend a registration day on March 2nd. If you plan on sending your child to our school, you need to immediately turn in your registration forms and re-registration fee to ensure a spot for your child.

### Progress Reports

We hope that you were able to gain insight into the progress of your child while they are at school. Progress report envelopes need to be returned to school by Friday, Feb. 2nd.

### Holiday Reminder

We will be closed on Monday, February 19th, in honor of "Presidents' Day".

### Director Vacation

Mrs. Hagen will be on vacation from February 9th through the 14th. Mrs. Garcia is in charge in her absence.

### Kindergarten Readiness Testing

The annual developmental testing will be Thursday, Feb. 22nd and Friday, Feb. 23rd this year. This test provides a formal, organized look at the processing skills children need for learning. Developmental testing results indicate whether or not the skills, which a child has been developing, are processing at a rate appropriate to the child's age level. This test is open for all children going to kindergarten and for parents who are making a decision on whether or not to allow their child another year of developmental growth before going into kindergarten. The parents' result meeting is Tuesday, March 6th, at 6:00 p.m.

### School Safety

For the safety of your child, the other students and all of our families, please do not let anyone (not even another parent) into the gate when you come in or go out. Each parent entering our facility must put in their own personal code. Our school's safety depends on your due diligence in making sure only authorized persons are on our campus.

### Parking Lot Security

Thieves are always looking for an opportune time. Always lock your car door.

HAPPY,  
VALENTINE'S DAY
