

**Miss Molinar's
Prekindergarten 1 Class
January 29 – Feb. 2, 2018**

Unit of Study: Woodland & Forest Animals

Week's Work: Students will learn about woodland and forest animals. We will learn about how magnets work. We will also be counting to 50.

S.P.A.: O Opossum says, "O, O, O, Opossum. Hanging by my tail hurts some."

Bible Story: The Transfiguration

Fun Dress-Up Days:

This Thursday and Friday will be "dress like a woodland animal"! You can wear your favorite woodland animal shirt or make your own special outfit. Please make sure that any "costumes" allow for your child to play and use the restroom without restrictions.

Enrichment Activities:

- *Take a trip to the El Dorado Nature Center and observe the different wildlife.
- *Make a fun paper plate mask of your favorite forest animal.
http://www.firstpalette.com/Craft_themes/Animals/animalmasks/animalmask.html
- *Take time and thank God for all the different kinds of woodland animals and how each one is special.

**God bless you all,
Miss Molinar**
