## Enrichment Activities:

- When you are with your child this week, have fun looking for "red" items.
- Discuss different emotions with your child and have them "show the feeling" on their face.
- Read *Genesis 2:8-25*. In this story we learn that God had created a man he called Adam and gave him a beautiful garden to live in. God also gave Adam a helpmate He called Eve. Adam and Eve were to watch over the garden that God had created for them. They enjoyed taking care of the animals too. We will learn more about the story in the next newsletter.
