Health Check : Each year your child attends school we will do a visual health check upon arrival before you (the parent) leaves, to ensure the health and safety of all our students. This is mandated by the Department of Social Services, Community Care Licensing.

Enrichment Activities:

- Have fun looking for blue items around your house.
- When you are with your child this week, look for items that are shaped like a circle.
- Enjoy dancing together using your whole body.
- Read Genesis 1:1 together. How wonderful it is to know that God created the Heavens and the Earth for us to learn about and enjoy. The love He has for each of us is amazing!

Love in Christ,
Miss Karen Peterson
