Enrichment Activities:

- Do a sensory activity: Compare a sour food, such as lemon, to a sweet food, such as honey or candy. Talk about how God created our taste buds and different areas on our tongues taste differently.
- Take time to write down all the blessings you can think of. Once you get going, you may be surprised by how many things you can be thankful for! Then count your blessings and say a prayer of thanksgiving as a family.
- Sing "Jesus Loves Me" and/or "Jesus Loves the Little Children" with your child.
- Talk about how Jesus loves children and welcomes them with open arms. In fact, it says in the Bible in Matthew 18:3, that to come to God, we must come as a child! Talk about how we can come to Him any time of day; He is always listening and loves when we talk to Him!

Love in Christ,
Mrs. Roberta Bustamante
