

Mrs. Bustamante's Prekindergarten 2

Weekly Newsletter

September 11 - 15, 2017

Unit of Study: Me! My Emotions!

Bible Story: The Garden of Eden

Bible Verse: "In the beginning God created the heavens and the earth." -Genesis 1:1

September "Fruit of the Spirit" Character Trait: Patience

Share Day: Students may bring 1 item that makes them feel most "happy".

- 2-day students: Thursday
- 3-day students: Friday
- 5-day students: either day, but not both

S.P.A. Jingle: Elephant E says, "E, E, E, E, Elephant. Lift me up, I say you can't."

Academics to Practice this Week: Color: Red Shape: Triangle Number: 2

Sign In/Out: Please remember to sign-in your child before bringing them to class. When picking up your child, please sign-out your child first and help them remove all things from their cubby. *Children are **NOT** allowed in the classrooms without a parent or guardian.

Wishing Well: I have many wonderful parents who frequently ask me if I need anything for our classroom. If I should have a need, I will "post it" on our wishing well at the parent board and if you can grant my wish, please remove the note. Thank you!

Enrichment Activities:

- Practice this week's academics. See how many red things and how many triangles you can spot. With a red crayon or marker, practice making number two's on paper: "around and back on a railroad track; that makes number two!"
- Talk about different emotions with your family. What things cause you to feel happy, sad, angry, excited, surprised, etc.?
- Talk about ways we can show patience with our families, friends, and neighbors, etc.
- Thank God for His patient loving care.

Love in Christ,
Mrs. Roberta Bustamante
