

Mrs. Bustamante's Prekindergarten 2

Weekly Newsletter

September 4 - 8, 2017

Welcome: Today starts our new fall session. Our regular class schedule is from 8:30 - 12:30. Students that are half-day, need to be picked up at 12:30, as this will be lunchtime for full day students. I would like to welcome all my new and returning students. I look forward to spending time with you!

Unit of Study: Me! My Body!

Bible Story: Creation

Bible Verse: "In the beginning God created the heavens and the earth." -Genesis 1:1

September "Fruit of the Spirit" Character Trait: Patience

Share Day: Please have your child bring a baby picture of themselves to share. Please put the photo in a plastic baggy with his/her name on it and have your child place it in the share box - not in their cubbies. Share days are designated as follows:

- 2-day students: Thursday
- 3-day students: Friday
- 5-day students: either day, but not both

S.P.A. Jingle: Albatross A says, "A, A, A, A, Albatross. I fly seas and go across."

Academics to Practice this Week: Color: Blue Shape: Circle Numbers: 0, 1

Enrichment Activities:

- Practice holding a pencil, crayons, and/or markers using the correct "pincer" grip - to draw small, medium, and large circles; then make into faces and others pictures.
- Practice printing number 0, then number 1 while singing the number jingle: "straight line down and that is fun, that makes number one."
- Talk about God's beautiful creation, how He thought about you before you were born, and how He made you specially unique!

Have a wonderful first week of school!

Love in Christ,
Mrs. Roberta Bustamante
