Home Enrichment Activities:

- Read about Jesus blessing the children in Mark 10:13-15. Remind your child of how special they are to you and to God!
- Make scented paint with your child by adding things like lemon juice, vanilla extract or spices to paint. Let your child finger paint to engage their senses of smell, sight and touch.
- Do a taste test with your child using food that is new to them. Talk about how God created our sense of taste so we could enjoy the food He gave us.
- Make a list of 20 words that begin with T. Use Triangle (our shape of the week) for your first word.
